Chauvin W. I. Notes

The regular monthly meeting of the W.I. was held in the Rest Room on Saturday, August 13th. The President presided. It was gratifying to note that over one hundred dollars had been made from lunch served on Fair Day. Half of this sum, minus expenses to be paid to the Agricultural Society.

A committee consisting of Mrs. Kirby, Mrs. Richardson and Mrs. McEwan was appointed to judge the gardens for the Institute prizes.

The district convention, which is to be held in Chauvin this year is on Friday, September 2nd. There will be an afternoon and evening session. Full details of the programme will be given next week.

Mrs. Gifford gave an interesting report of the convention held in Edmonton which is here given in full. The Alberta Women's Institute opened its annual convention on Monday morning, one 27th there being 300 delegates present.

During the year 44 new institutes clubs, at present there are 309 institutes with about 15,000 members 50 girls clubs with 900 members and it is interesting to note that \$89,759 was raised by the clubs during the past year for community and charitable purposes.

Miss Noble the president spoke of the wonderful growth of the Institutes both in Canada and in the United States in the rural districts, where it brings women together to discuss topics interesting to women, when otherwise they might not meet one another for months at a time, it brings out the individual, the shy retiring woman for most institutes are small and each one must do her share in making it a success.

She gave as a watchword for the year the words of St. Paul—Prove all things that we meet one another for months at a time, it brings out the individual, the shy retiring woman for most institutes are small and each one must do her share in making it a success.

She advised the institutes to give a play each year it is surprising the amount of talent that often lies dormant, and this is a good way of bringing it out. Also to keep up with the current events.

There were a great many good speakers it is impossible to begin to list about them we were given a full report and copies of the test papers, so I will give a few things that might help our own organization.

Most institutes find it advisable to have a printed program for the year, the subjects to be studied, community work, entertainments to be given, etc.

All start their meetings with 'O Canada, recite the creed and close with God Save the King', making an effort to learn all the verses of the National hymns.

Others find it advisable to have all members on committees which gives each one a responsibility and makes the work more interesting. Some larger institutes have committees on child welfare, visiting the sick, welcoming new comers, studying legislation as regards women and children, sanitation, etc., one small institute have a committee called 'Look-out committee who report all cases of sick and needy and welcome new comers to the district.

W. I. Notes

(Continued from front page)

There were some good resolutions for the coming year.

One was that at the Provincial Convention there would be only 4 reports read, one from each district, as the reading of so many reports is tedious. Another to preserve the land marks, legends and traditions of our committees, to be compiled and put in book form by a committee headed by Mrs. Price.

One to have nursing housekeepers, for a period of 6 months in a school for dietetics and 6 months in a hospital.

One to prohibit the sale of tobacco to girls and boys under 18.

There was an exhibition of handicraft, beautiful trays and a table made by the wounded soldiers at Strathcona Hospital, all these were sold. Basketry and home made candy by the Provost's Girls club, Doukhobai hand woven rugs and clothing, embroidery work by the feeble minded children, hand woven linens from the Norwegian and Swedish settlements.

Mrs. Morgan's address on Community singing was much enjoyed, she put stress on learning every word or our national hymns, whenever they are sung in public, stand up straight throw out your chest and sing them with feeling, she quoted Mr. Franklin Lane, Sec of Interior of the N.S. in his speech on immigrants, "to this country each comes bringing his gifts" we are all immigrants or the sons and daughters of immigrants, so each one should bring to this new country, the good old songs that have lived because they are the expression of the national life of their people, if a song lives there is a reason, not all new ones are bad, or all old ones good. Songs that live must be chaste, simple and a perfect wedding of minds and music, a committee formed of men of all nationalities met and the simple old ballad "Annie Laurie" was voted the best love song that was ever written. Encourage the good songs in your community.

Mrs. McClung gave a forceful address, and asked that the Institute give what they could to help the Y.W.C.A. of Edmonton. There are thousands of girls every year who leave the country to earn their living in the cities, many temptations come to these girls. The Y.W.C.A. are putting up a large building where

a majority of these girls can go, last year there were hundreds turned away for lack of accommodation.

The President, Miss Noble, the Vice President Mrs. Flemming and Mrs. Rogers the Secretary-Treasurer were elected by acclamation.

Emile Cote died his team securely, in fact tying both horses last Friday evening and went up to meet his brother who was arriving on the evening train from the east. Some smart Alex chose to untie this team whilst Emile was at the depot. As this team is a scarey one the trick was to endanger life and property, and it's perpetrator is beginning to qualify for Ponoka or Fort Saskatchewan.

Miss Atti Cyr was visiting at Mrs. Sevginy home last week.

Chance and Saving

The man who complains that he never had a chance, also never had a Bank Account. Hesitant everything he made. But the man higher up, and the man on top, developed the saving habit early. The man with money in the Bank does not sold fortune; he takes advantage of opportunity. A Savings Account started with The Merchants Bank is the first round up the ladder of success.

Province of Alberta Co-operative Credit Societies

The Provincial Government has provided Legislation designed to encourage the co-operation of farmers by adequate credit, longer term loans, lower interest rates, cash prices for purchases, saving of time and labor, and an improved community spirit.

Increased Farm Credit depends upon—

- (1) Greater reliability of Loans.
- (2) Courtesy of repayment
- (3) Adequate powers of security

The Alberta Co-operative Credit Act in its amended form, grants exceptional powers in the matter of taking necessary security, and thus repayment can be safely provided for.

Organization of a Society requires—

- I. Fifteen signatures to petition to incorporate.

Chauvin Fair Notes

The Aldie boys baseball team administered a good sound thrashing to the scratch team at the Chauvin Fair. The Free for all horse race was won by J. Whitford, with J. Starbuck coming in second. In the first heat of this race Mrs G. Teslar was thrown from her horse because of a foul. Mrs Teslar was fortunate in escaping with merely a severe shake-up. The pony race was won by Mrs G. Teslar with Eddie Russell coming to the post second.

G. Lawson, F. Holbrook, and L. F. Brynes acted as starters and judges. The Childrens Pony race was won by Jean McSpornan with the Richard, son girl coming in second. A number of footraces were run by the children of which no record of the winners is available to the press. A prize was given to every child of under eight years of age who ran in the tiny tots race.

Alberta Cabinet

The personnel of the cabinet chosen to conduct the ministerial duties of the Alberta government in the next Alberta legislature are as follows: Herbert Greenfield, premier, provincial treasurer and provincial secretary.

John Edward Brownlee, attorney general.

George Hoadley, minister of agriculture.

Richard Gavin Reid, minister of municipalities and public health.

Forrest Earle Baker, minister of education.

Vernon Winfield Smith, minister of railways and telephones.

Mary Irene Parbly, minister without portfolio.

Alex Ross, minister of public works.

A LOCAL INDUSTRY

Parcels & Foxwell cure their own hams and bacon. They have a new and complete outfit installed in their cement basement under the City Meat Market. Drying racks, a large well-fitted smoke box and facilities for pickling. They have been running this ever increasing success, and are now able to offer a large quantity of home cured hams and bacon at moderate price.

BUTTERICK PATTERNS with complete directions for fitting

Deltor is a new and wonderful addition to Butterick Patterns which does for the skill and cleverness of your cutting, sewing and finishing, what the pattern does for the style of your garment.

As the pattern enables you to reproduce your garment the style originated by a master designer, so Deltor enables you to reproduce, in the cutting of your goods, the dash and accuracy of its original cutter; to reproduce the skill and precision and niceties of its original tailor in your sewing and making; and to reproduce in the finishing those subtle touches, the very individualities of method, of its original creator.

Stop at our Butterick Pattern Department when you come to the store, and have this new system explained to you.

The Presbyterian Ladies Aid held a very successful tea and sale of home cooking on Saturday afternoon. The sum of \$30.00 was realized. The members wish to thank all who assisted in any way to make the sale such a success.

The regular meeting of the Ladies Aid will be held in the Hall, Saturday August 20th.

Ribstone W.I. Notes

The Ribstone W.I., regular monthly meeting was held on August 6th and as usual a goodly number of members attended.

A lady lecturer is coming to speak to us on Sept 1st at 2 p.m. Her subject will be "The Family's development—Homes past and present." We trust that everybody men and women who possibly can will attend the meeting as Mrs. Rogers is a most able speaker and we are sure her address will be most instructive. Tea will be served during the afternoon by the ladies. Meeting opens at 2 p.m. in the Municipal Hall.

A Heavy Poll

Mr. W. Wyatt, returning officer to the Wainwright constituency, has just completed his official statement of the votes polled in this constituency in the provincial election on July 18th. This statement shows three thousand two hundred and seventy-five names on the polling lists.

Three thousand two hundred and forty-nine votes were polled, leaving only twenty-four votes on the lists that were not polled. Thirty-one of the forty three polls showed that every voter on the list had cast their vote. This is an exceptionally large percentage of votes polled and shows the keen interest taken by the electors in all parts of the constituency. The final result of the official count varies but little from the returns given out on the night of the election. The official figures for each candidate are as follows: J. R. Love, Irma 1877; H. Strachan, Chauvin, 918; G. L. Hudson, 451.

W. L. A. Notes

The Westminster Ladies Auxiliary held a meeting in the church on Wednesday August 10th. A special meeting was held yesterday afternoon for the purpose of making arrangements for the annual sale of work in December.

A FARM ACCOUNTING

SYSTEM THAT IS A GOOD THING FOR ANY FARMER

Duns and Bradstreets, the greatest mercantile agencies, both say that "Carelessness is the greatest business crime."—about 60 per cent of failures are due to this cause.

As a class, farmers are apt to be financially careless, very largely because there has hitherto been no complete method—so simple, the ordinary man could follow it—provided for keeping accurate account of their operations.

Scott's SIMPLIFIED Accounting System for Farmers meets this need. Kits forms providing for a monthly showing of every branch of farm work for Five Years—including a detailed inventory which will be accepted by any bank.

Following its simple principles, any farmer can keep accurate accounts—have a perfect check on every branch of farm work—it is a perfect book-keeping system—compiled by a banking expert especially for farmers.

The only system which is given a Systematized Pocket Note Book and simplifies your income tax return. Ask to see the endorsement of the

system by government officials and farmers' organizations officials, and leading financial men. Copies can be obtained from the Chauvin Pharmacy.
